

Attestation Emission Class E1

Reg.-No. Z307-26/21

Hereby the Official Institution for Materials Testing MPA Bremen confirms that the independent contractual surveillance concerning the formaldehyde release of the

Birch Plywood, Type FSF

manufactured and brought to the market by

“Parfino Plywood Factory”, LLC
52, Kirova Street, Parfino,
Novgorod Region, 175130,
Russia

is being exercised by means of continuous supervision over the factory production control and determination of formaldehyde release of random samples according to EN ISO 12460-3:2015-11.

The described product fulfils the requirements of the emission class E1 according DIN EN 13986:2015-06 Annex B.

This attestation is valid till the next continuous surveillance inspection of the factory production control or till December 31, 2021.

Bremen, 29th of June 2021

(Dipl.-Ing. Axel Meyer
Chief of authorised Certification Body of MPA Bremen)

The validity of the attestation is confirmed by the publication on the official website of the MPA Bremen:
