Confirmation Gender Equality Plans

For the Leibniz-Institut für Werkstofforientierte Technologien - IWT, a women's advancement plan in accordance with the Law on Equality of Women and Men in the Public Service of the State of Bremen (LGG) is available for the period from 01.01.2020 - 31.12.2023, which will be updated by the management after its expiry. It is hereby confirmed that this women's advancement plan fulfils the requirements of a gender equality plan.

Prof. Dr.-Ing. habil. Rainer Fechte-Heinen
